

March 3, 2026

Dear Friends and Neighbors,

We are grateful and excited to share significant news about the future of our school and the broader community we serve.

After much prayer and thoughtful discussion, First Southern Baptist Church chose to partner with Flagstaff Christian School in the sale of half of their property, on Switzer Canyon Drive, so that it may become the future home of a new K–12 campus. We are deeply honored by their trust and by their shared commitment to advancing educational opportunities that strengthen families and serve God's kingdom.

This partnership reflects a common vision. The leadership of First Southern Baptist Church expressed a desire to see their land continue as a place where lives are shaped, faith is nurtured, and young people are equipped for meaningful service. We are humbled that they see our mission as a continuation of that legacy.

The property's central location, just minutes from our current upper school campus, allows us to remain rooted in the same community we have long called home. Families will continue to experience the accessibility and familiarity they value, while benefiting from facilities intentionally designed for academic excellence, student safety, and long-term growth.

As we move forward, we are committed to being thoughtful and responsible neighbors. We will pursue development plans that are orderly, respectful, and community-minded. We want this campus to be an asset, enhancing the surrounding area through stewardship, partnership, and service.

This milestone represents more than a land purchase. It is an investment in the next generation. *"One generation shall commend your works to another, and shall declare your mighty acts."* Psalm 145:4 It is an opportunity to expand impact. And it is a testimony to what can happen when organizations unite around a shared calling.

We look forward to walking this next chapter together.

With gratitude and anticipation,  
*FCS School Board*
